RE: 22-00603 CC 05 (02)

Mr. Rogers:

Today I am filing my Opposition to Motion to Dismiss, in the abovementioned case.

A copy is attached.

As for the action that you plan on filing, in reference to the violation of my agreement with Mr. Santos, I have no clue what you are talking about. Perhaps, you could send me more details of this violation. I have no postings of the child online that violates our agreement, and I'm not paying your client One Red Cent as it relates to this allegation.

Sincerely

Mark Buck
